Update #22

### **Rotating Job Action at Canfor Vavenby Scheduled for Friday December 7<sup>th</sup>**

Over the coming days, USW Locals 1-417 and 1-405 will be conducting a coordinated strategy to apply pressure on Canfor Management. Each Local Union will advise their sites of planned actions. Please take no action without direction from your Local Union.

### **USW 1-417 Members at Canfor Vavenby Operation will commence Strike Action as of 5am Friday December 7<sup>th</sup>.**

Information regarding picket duty has been texted out to Canfor Vavenby members who have signed up to the USW 1-417 Local Union text alert system. Members who are not on the text alert system are requested to attend the picket line to put in some time on picket duty.

This is a Legal Strike and workers cannot be disciplined for exercising their legal right to strike, provided doing so in a respectful manner. Members should come to the picket line dressed for cold weather with Hi-Visibility safety gear. Picket lines are scheduled to be taken down at 7pm Friday December 7<sup>th</sup>.

It is important that Canfor and the IFLRA receive a clear message. USW members are united and will not accept a substandard deal! All members are encouraged to attend the Picket line between 5am and 7pm to show support
