2018 Forestry

Bargaining Update #30

April 22, 2019

### (UPDATE)

## IFLRA Bargaining to Reconvene May 15-17 in Kelowna BC

Although all parties had indicated May 6<sup>th</sup> to 10<sup>th</sup> was available for bargaining, due to a scheduling conflict, these dates are no longer available for the IFLRA. The additional dates of May 15<sup>th</sup> to 17<sup>th</sup> have now been confirmed by all parties.

Communication released by the northern USW local Union has stated that they are dealing with the 6 operations that rejected their proposed agreement.

In the meantime, Local 1-417 is sitting down with employers to continue to resolve Local Issues; with the ones that are unresolved moved to the main table for discussion.

As always, we will continue to communicate bargaining information as soon as it becomes available.

In Solidarity,  
The Officers of USW 1-417
