

# 2<sup>nd</sup> Annual Golf Tournament

## USW LOCAL 1-417 UPDATE

July 31, 2017

### Golf Tournament Date Change

Due to the current wildfire situation and the contract bargaining at Highland Valley Copper, it was felt that a later date would be more suitable for all attending. The golf tournament will now be held on Saturday September 30, 2017. We appreciate your understanding with this change.

If you have paid the registration fee and are not able to attend, please contact the office for a refund. If you have registered and are still able to attend, we will see you in September!

If you have any further questions, please don't hesitate to contact the Local Office at 250-554-3167 or Jordan Lawrence at 250-318-7668.
